Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of New Bedford's Equitable Approaches to Public Safety project. Funding would be used towards the development and implementation of this program and help meet its goals to increase equity in public safety, public health as well as address mental and behavioral health needs across the city. Total funding amounts to \$560,500.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

William R. Keating
